Marine Camera Housing

Camera housing

BSOA0000067

Fully cable managed Camera Housing, including wall bracket and 12V DC/24V AC heater. Ruggedised marine finish. The BSA0067 is a tough, fixed camera housing which seals against dirt, moisture and dust ingress. It allows a wide range of fixed cameras and lenses to be used in tough, outdoor environments. It is IP67 weather-proof rated and IK10 shock and vandal-resistant. It can be pendant or pedestal mounted to ceilings, walls and soffits.

Features

- Tough, vandal-resistant housing, IK10 & IP67
- Ruggedised Marine grade
- PoE+, 24VAC or 12VDC
- Wide range of camera & lens options
- Camera/lens options can be factory fitted if required
- Custom colours available
- Marine powder coat paint gives a robust, UV light-stable finish
- Fully cable-managed solution, keeps cables hidden and secure
- No need for additional junction box
- Wall-bracket, pendant or pedestal mount options
- Extendable sun/rain visor option
- Manufactured in the United Kingdom
