Subsea Fixed Camera

Fixed

DSOT1F180A68

High Quality ultracompact Wide-Angle overview subsea camera. Exceptionally high quality 1080p@25fps IP HD video, standard 6000m titanium housing and three available FOV options make it an ideal choice for ROV and AUV operations. It offers the ability to view both manipulators at once on the same video screen, perfect for cage/TMS monitoring, rear facing ROV camera and situational awareness.

Features

- Wide angle
- 1080P
- IP video
- Titanium housing
- 3 field of view options
- Ideal for ROVs
